## **ASSIGNMENT, LIEN, AUTHORIZATION OF INSURANCE BENEFITS AND POWER OF ATTORNEY**

**Name of Patient:** \_\_\_\_\_

**Date of Accident:** \_\_\_\_\_

I hereby authorize and direct any insurance company and/or my attorney to pay directly The Prather Frazer Wellness Center such sums as may be due and owing the office for services rendered to me, both by reason of accident or illness, and by reason of any other bills that are due this office, and to withhold such sums from any disability benefits, or any other insurance benefits obligated to reimburse me or from any settlement, judgment or verdict on my behalf as may be necessary to adequately protect said Office

I hereby further give a lien to said Office against any and all insurance benefits that I may be entitled to and any and all proceeds for any settlement, judgment or verdict which may be paid to me as a result of the injuries or illness for which I have been treated by said Office. This is to act as an assignment of my rights and benefits to the extent of the Office's services provided.

I hereby assign all of my interest and rights to PIP benefits, which shall include, but not be limited to the right to file a PIP suit or seek arbitration for PIP benefits relative to treatment by said Office. I hereby assign and transfer to this Office any and all causes of action that I might have or that might exist in my favor against any insurance carrier that may be liable for payment of PIP benefits, and authorize this Office to prosecute said cause of action either in my name or in the Office's name and further I authorize this Office to compromise, settle or otherwise resolve said claim or cause of action as they see fit. Further, in the event that the within assignment is not consented to by an insurer or in any other manner is held invalid by any party, arbitrator or any other person, I hereby give this Office the power of attorney to bring any arbitration proceeding or suit in my name on my behalf as if I had filed such action myself. I further agree to fully cooperate with regard to prosecuting such action or proceeding.

I understand that I remain personally responsible for the total amounts due the Office for services, subject to Georgia Law. I further understand and agree that this Assignment, Lien, and Authorization does not constitute any consideration for the Office to await payments and they may demand payments from me immediately upon rendering services at their option. I further understand and agree should I receive any payments made on my behalf from any insurance company I will endorse the check to The Prather Frazer Wellness Center within 30 days of my receipt of same and fully understand that failure to do so will result in collections procedures against me.

I authorize this Office to release any information pertinent to my case to any insurance company, adjuster, or attorney to facilitate collection under this Assignment, Lien, and Authorization, so long as the request is submitted in writing. I agree that the above mentioned Office is hereby given Power of Attorney to endorse/sign my name on any and all checks for payment of my doctor's bill. I further authorize any insurance company and any other physicians who have treated me for this accident to provide this Office with any documentation needed, with regard to the payment of my bills.

I further give to the above doctor a lien on any and all funds received by me or in my behave in association with the settlement or satisfaction of judgment arising from claims presented on my behalf.

I fully understand that I am directly responsible to said doctors/group for all medical bills submitted by them for services rendered to me. I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually receive said fee. In the event legal action shall be brought in order to enforce this lien, then the prevailing party shall be entitled to reasonable costs and attorney fees in addition to any judgment rendered.
